**Interpretation of the Director
Bellevue File No. 16-123551-DA**

I. INTRODUCTION

The Applicant, Larry Smith of Davis Wright Tremaine, LLP, on behalf of Brenner Construction Co., D/B/A Brenner Properties (Brenner) owns Cascade Place II located at 12727 and 12729 Northup Way on a 5.2 acre site designated with King County Assessor's Parcel Number 2825059057 (hereinafter referred to as "Cascade Place II"). The Applicant seeks a Formal Code Interpretation of the applicable land use regulations under Part 20.30K of the Land Use Code (LUC). A Formal Code Interpretation is processed pursuant to Part 20.30K LUC, and the Director's decision may be appealed as a Process II decision to the Hearing Examiner pursuant to Part 20.35 LUC.

Summary of the Interpretation Request:

The Applicant seeks interpretation as to whether Cascade Place II qualifies as an Existing Condition under LUC 20.25D.060 and as such, whether Brenner may lease spaces for all uses previously allowed in a Multiple Function Building or Complex under the previous Light Industrial Zoning regulations ("LI Zone").

Short Answer: Yes. The Applicant may lease spaces consistent with the uses permitted in a Multiple Function Building or Complex under the previous LI Zone because Cascade Place II qualifies as an Existing Development, thus an Existing Condition, pursuant to LUC 20.25D.060.

II. INTERPRETATION

A. Background.

Cascade Place II was initially developed in 1977-1981 and includes two buildings divided into approximately 50 small, individually-accessed tenant spaces with shared surface parking. The site was developed as a Multiple Function Building or Complex and designed to provide small, moderately-priced leased spaces to all types of businesses and uses allowed within the previous LI Zone. Cascade Place II was established and has been utilized as a Multiple Function Building Complex continuously with no evidence of discontinuation or destruction.

1. General Zoning Authority.

The City derives its zoning authority from its police powers granted under the Washington State Constitution, Art. XI, Sec. 11. Zoning is the legislative division of a community into areas within which only certain designated uses of land or structures are permitted.¹ In Bellevue, each property is classified into a land use district and is subject to applicable LUC requirements. LUC 20.10.050. In the current LUC, the purpose and scope of each land use district is described in LUC 20.10.180

¹ McQuillin, Municipal Corporation, §25.07, 21 (3rd ed. 1983).

specificity in LUC Chart 20.10.440 together with information regarding the applicable review procedure necessary to establish a particular use. LUC 20.10.370.B. Uses not included in the use charts are prohibited. LUC 20.10.400. The use charts are organized by general categories: Residential; Manufacturing; Transportation and Utilities; Wholesale and Retail; Services; Recreation; and Resources. *See*, LUC Chart 20.10.440. These categories are further grouped by land use district type: Residential, Downtown, Nonresidential Districts. *See, Id.*

The LUC provides specific and final authority to the Director to determine if a proposed use is included or excluded in a particular use category. LUC 20.10.420. The LUC also provides criteria for the Director to consider when making a determination regarding the inclusion or exclusion of a proposed use. LUC 20.10.420.A. The Director makes this determination according to the “characteristics of a proposed use” and based upon the Director’s interpretation of the Standard Land Use Coding Manual, the Standards Industrial Classification Manual, and the North American Industry Classification System. LUC 20.10.420.A.

2. Prior Light Industrial Regulations, Bel-Red Zoning Amendments, and Existing Condition Regulations.

On May 18, 2009, the Bellevue City Council adopted Ordinance No. 5876, which repealed the previous applicable LI Zoning and associated regulations and implemented new Bel-Red zoning regulations under Part 20.25D LUC. The previous LI Zone and associated regulations are included as Attachment A hereto. Multiple Function Building or Complex is allowed in the previous LI Zone.² Under the new Bel-Red Zoning, Multiple Function Building or Complex is not allowed within the Bel-Red Zone. *See*, Part 20.25D LUC; LUC 20.50.034.

The definition of Multiple Function Building or Complex as contained in the LUC (Exhibit A) prior to the adoption of the Bel-Red Zoning is:

Multiple Function Building or Complex. A building or complex of buildings containing multiple activities such as office, warehousing, manufacturing, or services, as determined by the Director of Planning and Community Development pursuant to LUC 20.10.440 [Land Use Charts].

The prior LI Zone outright permitted the following uses in a Multiple Function Building or Complex:

- Manufacturing, *except* Lumber and Wood; Paper; Chemicals; Rubber;
- Transportation and Utilities,³ *except* Rail; Aircraft; Auto Parking; Park and Ride; Solid Waste Disposal; Utility Facility; Regional Utility System; On-Site Hazardous

² *See, e.g.* Exhibit A—Chapter 20.10 Bellevue Land Use Code (2003).

³ Radio and Television Broadcasting Studios are only allowed in the LI Zone if located in a multiple function building or complex. LUC 20.10.440, Transportation and Utilities, note 10.

- Waste Treatment and Storage Facility; Off-Site Hazardous Waste Treatment and Storage Facility; and Essential Public Facility;
- Wholesale and Retail,⁴ *except* Scrap Waste Materials, Livestock; Hardware Paint, Tile and Wallpaper Retail; General Merchandise Retail; Food and Convenience Store; Autos Retail; Motorcycles Retail; Apparel and Accessories Retail; Furniture and Home Furnishings Retail; Miscellaneous Retail Trade; Adult Retail; Pet Shop Retail; Computers Retail;
- Services,⁵ *except* Finance, Insurance, and Real Estate Services; Funeral and Crematory Services; Cemeteries; Child Care Services; Rental and Leasing Services; Professional Medical/Health Services; Hospitals; Government Services; Military and Correctional Institutions; Secure Community Transition Facility; Professional and Labor Organizations Fraternal Lodge;
- Recreation, *only* Private Leisure and Open Space Areas; Public/Private Park; and
- Resources, *only* Veterinary Clinic and Hospital; Poultry Hatcheries; Fish Hatcheries.

See, Exhibit A.

The definition of Multiple Function Building or Complex in the current LUC 20.50.036 (emphasis added) is:

Multiple Function Building or Complex. A building or complex of buildings containing multiple activities such as office, warehousing, manufacturing, or services, as determined by the Director pursuant to LUC 20.10.440 [Land Use Charts] provided this definition does not apply to multiple function buildings or complexes located in Bel-Red Land Use Districts.

As part of the Bel-Red zoning amendments, the City Council adopted LUC 20.25D.060, which sets forth the regulations governing Existing Conditions. The purpose for the Existing Condition regulations:

Many existing uses and developments would not be allowed pursuant to the Bel-Red Land Use District Charts (refer to LUC 20.25D.070) and district-specific standards and guidelines in this Part 20.25D that are in effect to implement the policies of the Bel-Red Subarea Plan. The purpose of this section is to allow the continued operation of existing light industrial and service uses, and existing developments that were legally established when the Bel-Red Subarea Plan was adopted on May 26, 2009. An additional purpose of this section is to allow limited expansion of existing uses and developments that are

⁴ Eating and Drinking Establishments are only allowed in the LI Zone if located in a multiple function building or complex. LUC 20.10.440, Wholesale and Retail, note 13.

⁵ Personal Services, Business Services, Professional Services, Administrative Offices, Computer Related Services, Research, Development and Testing Services are only allowed in the LI Zone if located in a multiple function building or complex. LUC 20.10.440, Services, notes 2, 5, and 9.

compatible with residential and higher intensity mixed use development that was introduced with the adoption of the plan. LUC 20.25D.060.A.

LUC 20.25D.060.B provides that a site “may be considered an Existing Condition because it contains *either* an Existing Use or Existing Development” Existing Use and Existing Development are defined as follows:

Existing Use. The use of a structure or land which was permitted when established, in existence on May 26, 2009, and not discontinued or destroyed, but is not otherwise allowed under LUC 20.25D.070.

Existing Development. A structure or site development which was permitted when established, in existence on May 26, 2009, and not discontinued or destroyed, but does not otherwise comply with Part 20.25D LUC.

LUC 20.25D.060.B (emphasis added). A “site” is defined as “[a] lot or group of lots associated with a certain application, building or buildings or other development.” LUC 20.50.046.

3. Existing Development Documentation.

The Applicant submitted documentation pursuant to LUC 20.25D.060.D to support that Cascade Complex II constitutes an Existing Development, which has been maintained over time, and not otherwise discontinued or destroyed. The submitted documents include a detailed narrative of the history of the site from the Applicant’s attorney and a declaration of the record custodian and agent of Brenner with attached historical permitting and development records and color photographs of the buildings.

These documents show that Cascade Place II was developed as a Multiple Function Building or Complex initially in 1977 – 1981, which accommodated approximately 50 small, individually-accessed tenant spaces with shared surface parking. Since its initial development, Cascade Place II has been commercially leased to tenants engaged in multiple activities allowed in the LI Zone. The Applicant notes that Cascade Place II was originally intended to be and has consistently and continuously been leased to small tenants of varying commercial endeavors. The Applicant desires to continue to market and lease its tenant spaces to the broad range of uses and businesses allowed in a Multiple Function Building or Complex under the prior LI Zone.

Neighboring properties are currently being used by industrial type businesses such as Pacific Topsoil’s storage and loading yard; the Metro bus maintenance base; Republic Services/Allied Waste garbage hauling and recycling warehouse facility; and Cadman sand and gravel operation.

B. Analysis.

The Applicant seeks interpretation as to whether Cascade Place II qualifies as an Existing Condition under LUC 20.25D.060 in order to allow leasing for all uses previously allowed as a Multiple Function Building or Complex under the LI Zone versus the current Bel-Red Zone. The

Applicant contends that it has leased spaces in the Cascade Place II for uses allowed in the LI Zone. LUC 20.25D.060.B provides that a site may be considered an Existing Condition if it contains *either* an Existing Use or Existing Development as defined in the previous section above.

Cascade Place II was developed as a two-building project and constitutes a “site” as defined in LUC 20.50.046. The Cascade Place II property, both structure (tenant spaces) and land (shared surface parking), was permitted, developed, and was in existence on May 26, 2009 as a Multiple Function Building or Complex, commercially leased to a variety of uses allowed under the prior LI Zone. Such uses and development were without discontinuation or destruction until present day. Pursuant to LUC 20.25D.060.B, Cascade Place II is appropriately an Existing Development, qualifying it as an Existing Condition.

Furthermore, the purpose for the Existing Condition regulations support this determination. LUC 20.25D.060.A memorializes the recognition that many existing uses and developments would no longer be allowed under the Bel-Red Zone and the legislative intent to allow the continued operation of existing uses and developments that were legally established prior to the adoption of the Bel-Red Subarea Plan on May 26, 2009. *See*, LUC 20.25D.060.A. In this instant case, the type of development (Multiple Function Building or Complex) of Cascade Place II and certain existing uses are no longer allowed in the Bel-Red Zone, though they were legally established prior to May 26, 2009. Therefore, pursuant to LUC 20.25D.060.A, the City Council intended for those existing uses in the Multiple Function Building or Complex to be allowed to continue as an Existing Condition.

C. Conclusion.

Cascade Place II was permitted and developed as a Multiple Function Building or Complex under a prior LI Zone, which was in place before the adoption of the Bel-Red zoning regulations on May 26, 2009. Since its establishment until now, Cascade Place II has operated as a Multiple Function Building or Complex and continuously leased spaces to tenants for various uses allowable under the prior LI Zone. As such, Cascade Place II is an Existing Development and qualifies as an Existing Condition pursuant to LUC 20.25D.060.B. Cascade Place II may lease space for all uses previously allowed in a Multiple Function Building or Complex under the LI Zone, which for ease of reference, are listed in Section A.2 above.

The accommodation of uses shall be limited to leasing of tenant spaces in Cascade Place II and conditioned upon Cascade Place II’s continued function as a Multiple Function Building or Complex as it was originally established pursuant to LUC 20.25D.060.B. Moreover, per LUC 20.25D.060.A and consistent with the legislative intent to allow the continued operation of existing uses and developments that were previously legally established, this accommodation shall not be construed as an entitlement to permanently establish LI uses on the site if it ceases to be used consistent with the definition of a multifunction building or the site is redeveloped in the future.

In addition, Cascade Place II shall comply with all applicable regulations contained in LUC 20.25D.060.D as it exists today or as it may otherwise be amended as well as all other applicable land use code provisions. For instance, any expansion or modification of Cascade Place II shall

comply with any applicable requirements contained in Part 20.25H LUC and modifications to existing signs associated with Cascade Place II shall comply with the requirements of the Sign Code, Chapter 22B.10 BCC.

III. FACTORS FOR CONSIDERATION

In making an interpretation of the provisions of the LUC, the Director shall take the following factors into consideration. LUC 20.30K.140.

A. Applicable Provisions of the Land Use Code.

The applicable LUC provisions considered in this formal code interpretation include the following:

1. LUC 20.10.010 Purpose of Land Use Districts
2. LUC 20.10.020 Establishment of Land Use Districts
3. LUC 20.10.050 Property Classified
4. LUC 20.10.370.B Permitted Uses
5. LUC 20.10.400 Use Chart Described
6. LUC 20.10.420 Interpretation of Land Use Charts by Director
7. LUC 20.10.440 Land Use Charts
8. LUC 20.50.034 Definition of Multiple Function Building or Complex
9. LUC 20.25D.060 Existing Condition Provision for Bel-Red
10. LUC 20.50.046 Definition of Site
11. Part 20.30K LUC Interpretation of the Land Use Code
12. LUC 20.10.440 (2003) Land Use Charts (prior to Bel-Red zoning adoption)
13. LUC 20.50.034 (2003) Definition of Multiple Function Building or Complex (prior to Bel-Red zoning adoption)

B. The Impact of the Interpretation on other Provisions of the Land Use Code.

This interpretation impacts only application of the above referenced code provisions with respect to Cascade Place II, which has been classified as an Existing Development based on the following considerations: (1) development of the site as a Multiple Function Building or Complex prior to May 26, 2009; (2) continued use of the complex as a Multiple Function Building or Complex and not otherwise destroyed; (3) provision of appropriate documentation pursuant to LUC 20.25D.060.D. This interpretation does not have an impact on other existing sites within the City of Bellevue nor other provisions of the LUC.

C. The Implications of the Interpretation for Development within the City as a whole.

This interpretation is consistent with the purpose of the Existing Conditions regulations contained in LUC 20.25D.060, which are applicable only within the Bel-Red Land Use District.

D. Applicable Provisions of the Comprehensive Plan and other Relevant Codes and Policies.

This interpretation is consistent with the Bel Red Subarea Comprehensive Plan, specifically Policy S-BR-9, which provides:

POLICY S-BR-9. Accommodate existing light industrial uses that were legally established as of the date of this Plan's adoption, by allowing for their continued operation, expansion including site expansion outside of nodes, and re-building if destroyed. Preclude new light industrial uses from being established, and discontinued light industrial uses from being re-established, with the exception that light industrial uses of limited size (less than 20,000 square feet) are appropriate outside transit nodes and stand-alone residential areas.

IV. EFFECT OF INTERPRETATION

Pursuant to LUC 20.30K.150, an interpretation of any Land Use Code provision issued under Chapter 20.30K LUC shall have the same effect as any provision of the Land Use Code. An interpretation of the Land Use Code remains in effect until or if rescinded in writing by the Director. LUC 20.30K.155.

V. APPEAL

An Interpretation of the Land Use Code under Chapter 20.35.015 is a Process II administrative land use decision made by the Director. Pursuant to LUC 20.35.250, Process II decisions may be appealed to the Hearing Examiner by providing a written statement of appeal and the appeal notification form to the City Clerk not later than 5:00 p.m. on the 14th day following the date of publication of the decision of the Director.

20.10.320 General Commercial District (GC).

General Commercial is a mixed retail and commercial designation that provides for the location of a wide variety of business activities that provide goods and services to other businesses and the general public. (Ord. 5434, 1-21-03, § 1; Ord. 4176, 11-26-90, § 2; Ord. 3145, 9-27-82, § 15)

20.10.340 Neighborhood Business District (NB).

Neighborhood Business Districts are small scale, mixed-use commercial areas that provide housing opportunities and retail and service businesses for the surrounding residential community. These sites may also accommodate a limited amount of administrative office space, provided that the office use does not interfere with the site's primary neighborhood-serving function. NB Districts front on designated primary or minor arterials and are generally 1,000 feet or more apart along the arterials. It is the intent of the City that any such district be located adjacent to existing or proposed residential areas. The maximum size of an NB District, composed of contiguous properties and located on one side of a street, is four and one-half acres. The maximum size is expanded to six acres for NB sites separated by a street. (Ord. 5430, 1-21-03, § 1; Ord. 4654, 6-6-94, § 13; Ord. 4422, 9-28-92, § 1; Ord. 3145, 9-27-82, § 16)

20.10.360 Community Business District (CB).

Community Business Districts serve community markets and provide areas for the location of services and retail outlets, other than Downtown. (Ord. 4654, 6-6-94, § 14; Ord. 3145, 9-27-82, § 17)

20.10.370 Downtown (D).**A. Purpose.**

Downtown is the financial and business hub of the community. It is to be developed as an aesthetically attractive area of intense use. Toward this end, the City shall encourage the development of regional retail shopping facilities and major mixed office complexes along with specialty retail, business support services, urban residential, hotel and institutional uses. Certain areas of Downtown are to be more intensively developed in order to facilitate pedestrian circulation. Development must enhance people orientation, and provide for the needs, activities, and interests of people. The City will encourage land uses which emphasize variety, mixed uses, and unity of form within buildings or complexes. Specific land use districts have been established within the Downtown District to permit variation in use and development standards in order to implement the objectives of the Downtown Subarea Plan.

1. Downtown-Office District 1 (Downtown-O-1). The purpose of the Downtown-O-1 Land Use District is to provide an area for the most intensive business, financial, specialized retail, hotel, entertainment, and urban residential activities. The district is limited in extent in order to provide the level of intensity needed to encourage and facilitate a significant level of transit service. Pedestrian-attracting day and nighttime activities are encouraged. Transit and pedestrian facilities linking them are encouraged; long-term parking and other automobile oriented uses are discouraged.

2. Downtown-Office District 2 (Downtown-O-2). The purpose of the Downtown-O-2 Land Use District is to provide an area for intensive business, financial, retail, hotel, entertainment, institutional, and urban residential use to serve as a transition between the more intensive Downtown-O-1 Land Use District and the lesser intensive Downtown-Multiple Use Land Use District.
3. Downtown-Multiple Use District (Downtown-MU). The purpose of the Downtown-MU Land Use District is to provide an area for a wide range of retail activity, low intensity offices, Downtown support services, and residential uses. Multiple uses are encouraged on individual sites, and in individual buildings, as well as broadly in the district as a whole.
4. Downtown-Residential District (Downtown-R). The purpose of the Downtown-R Land Use District is to provide an area for the City's most intensive urban residential uses. Limited office and retail uses are permitted secondary to residential use, in order to provide the amenity of shopping and services within easy walking distance of residential structures.
5. Downtown-Old Bellevue District (Downtown-OB). The purpose of the Downtown-OB Land Use District is to describe the Old Bellevue area and assure compatibility of new development with the scale and intensity of the area. The social and historic qualities of this area are to be preserved.
6. Downtown-Office and Limited Business District (Downtown-OLB). The purpose of the Downtown-OLB Land Use District is to provide an area for the location of integrated complexes made up of offices, and hotels or motels, with eating establishments and retail sales secondary to these primary uses. The district abuts and has convenient access to the I-405 Freeway.

B. Permitted Uses.

Specific categories of uses are listed in Chart 20.10.440. LUC 20.10.400 and 20.10.420 explain Chart 20.10.440 and refer to the applicable review procedures.

C. General Development Requirements.

Regulations applying to specific structures or activities are found listed alphabetically in Chapter 20.20 LUC; consult the alphabetical Key Word Index in the beginning of that chapter. Additional development requirements for downtown are found in Chapter 20.25 LUC.

- D. Area and dimensional requirements are found in LUC 20.25A.020.A.2; specific exceptions to the requirements in the chart are given in the sections immediately following it. All structures shall conform to these requirements. (Ord. 5496, 11-17-03, § 1; Ord. 4654, 6-6-94, § 15; Ord. 2945, 2-2-81, § 2)

20.10.380 Evergreen Highlands Design District (EH).

A. Purpose.

The Evergreen Highlands Design District provides an area for the location of high technology research and development facilities; associated light assembly and warehousing; other manufacturing uses with similar character, intensity and impact; support service and retail uses; office uses; corporate headquarters and residential uses. It represents a unique land resource, and is to be developed as a well integrated, mixed-use district sensitive to natural constraints and surrounding established development patterns. All development should exhibit high quality design, and maintain high performance levels.

- B. The Evergreen Highlands Design District is divided into four performance areas as delineated by the Evergreen Highlands Zoning Map. These performance areas constitute separate land use districts and permit variation in use and development standards in order to implement the goals and policies of the Evergreen Highlands Subarea Plan, and to insure attention to specific environmental features of the various performance areas.
1. Evergreen Highlands Performance Area A (EH-A). The purpose of this performance area is to provide a location for Medium Density Multifamily development, not exceeding 11 units per gross acre. This performance area is intended to provide housing opportunities, and to serve as a transition to the single-family housing adjacent to the Evergreen Highlands Design District.
 2. Evergreen Highlands Performance Area B (EH-B). The purpose of this performance area is to provide a location for lower intensity office uses. It serves as a transition between the residential development in Performance Area A and the higher intensity nonresidential uses in Performance Area C. This performance area constitutes the area of highest environmental sensitivity within the Design District, and development must reflect the natural limitations of the land.
 3. Evergreen Highlands Performance Area C (EH-C). The purpose of this performance area is to provide a location for research and development activity, office uses, and convenience retail and service uses. This performance area will serve as the focal point for the entire Design District. It must be developed in a campus-like research and development park theme, and should be compatible with nearby less intense areas.
 4. Evergreen Highlands Performance Area D (EH-D). The purpose of this performance area is to provide a location for office uses. It serves as a transition between the concentration of research and development and office uses to the north and the surrounding land use districts. (Ord. 3219, 1-17-83, § 2)

20.10.390 Institutional District.

Institutional Districts provide for the location of hospital and government uses. The purpose of the district is to encourage comprehensive long-term master development planning and to allow flexible dimensional standards to facilitate major institutions in developing and providing the vital public services offered by these institutions. (Ord. 5475, 10-20-03, § 3; Ord. 4288, 10-7-91, § 1)

20.10.395 Factoria Land Use Districts (F).

- A. Factoria Land Use District 1 (F1). Factoria, F1 District is a mixed-use residential and regional retail center located adjacent to freeway corridors. It is to be developed as an aesthetically attractive urban village center to serve the Factoria community as well as shoppers attracted to the retail stores. Specific development areas and design guidelines apply within the district. Total size of the district is approximately 40 acres.
- B. Factoria Land Use District 2 (F2). Factoria, F2 District provides for intensive office, movie theater, and service uses adjacent to freeway corridors in the Factoria area.
- C. Factoria Land Use District 3 (F3). Factoria, F3 District provides for highly intensive office use in an integrated complex adjacent to freeway corridors in the Factoria area. This is the most intensive office district outside the Downtown. (Ord. 5385, 7-15-02, § 4)

20.10.400 Use chart described – Interpretation.

In Chart 20.10.440, land use classifications and standard Land Use Code reference numbers are listed on the vertical axis. City of Bellevue land use districts are shown on the horizontal axis.

- A. If no symbol appears in the box at the intersection of the column and the row, the use is not allowed in that district, except for certain short-term uses (see Temporary Use Permits, Part 20.30M LUC).
- B. If the symbol "P" appears in the box at the intersection of the column and row, the use is permitted subject to general requirements for the use and the use district.
- C. If the symbol "C" appears in the box at the intersection of the column and the row, the use is permitted subject to the Conditional Use provisions specified in Part 20.30B or 20.30C LUC and to general requirements for the use and the use district.
- D. If the symbol "A" appears in the box at the intersection of the column and the row, the use is permitted subject to the Administrative Conditional Use provisions as specified in Part 20.30E LUC and to general requirements for the use and the use district.
- E. If the symbol "PD" appears in the box at the intersection of the column and the row, the use is permitted subject to the Planned Unit Development provisions as specified in Part 20.30D LUC and to general requirements for the use and the use district.
- F. If a number appears in the box at the intersection of the column and the row, the use is permitted through the applicable review process and subject to the special limitation indicated in the corresponding Note. (Ord. 3530, 8-12-85, §§ 2 – 5; Ord. 3145, 9-27-82, § 20)

20.10.420 Interpretation of chart by Director of Planning and Community Development – Appeal.

- A. In the case of a question as to the inclusion or exclusion of a particular proposed use in a particular use category, the Director of Planning and Community Development shall have the authority to make the final determination. The Director of Planning and Community Development shall make the determination according to the characteristics of the operation of the proposed use and based upon the Director's interpretation of the Standard Land Use Coding Manual and the Standard Industrial Classification Manual.

Examples: A large sales office, where business is conducted by telephone or not on the premises, where no goods other than samples pass into or out of the site, is an office rather than a retail or wholesale use; a shop selling handcrafted items made on the premises where the manufacturing processes are undetectable outside the premises and require no heavy trucking, is a retail use, not a manufacturing use.

- B. In the case of a conflict between the general description and the Use Chart, the chart shall prevail.
- C. An interpretation of LUC 20.10.440 relating to the inclusion or exclusion of a proposed use will be processed using Part 20.30K LUC, Interpretation of the Land Use Code. (Ord. 3530, 8-12-85, § 6)
